Integrated Holiday Assignments

Dear Parents

It's vacation time! The uphill task of keeping your child fruitfully occupied must be the top priority in your mind. We at Delhi Public World School have planned interesting, innovative and Creative Project Work/ Homework for your children, to enable them to widen their horizon and be in rhythm with the School curriculum. Kindly allow them to do the work independently under your guidance and supervision. Please make sure that the work is undertaken over the entire duration of vacation and is not complete in haste. Creative work needs time and thus must be spaced out.

Let them enjoy doing the work we have set for them.

These assignments must be submitted to the respective subject teachers when the school reopens i.e. 11th July, 2018.
