The Pledge

India is my country. All Indians are my brothers and sisters. I love my country. I am proud of its rich and varied heritage. I shall always strive to be worthy of it. I shall give respect to my parents, teachers and all elders and treat everyone with courtesy.

To my country and my people, I pledge my devotion. In their well-being and prosperity alone, lies my happiness.

I CAN DO IT!

- ✓ Learn the Pledge.
- ✓ Read at least two story books each in English and Hindi.
- ✓ Read the English newspaper every day.
- ✓ Go for a nature walk with a family member every day. Try to observe new things.
- ✓ Eat healthy foods like salads and fresh fruits. Drink lots of cooling and freshly made drinks like nimbu paani, nariyal paani and jaljeera.
- ✓ Visit an Old Age Home and spend some time with the old people. Take biscuits for them. Ask them to bless you.

SOCIAL STUDIES

1. World Environment Day is celebrated on 5th June every year to spread worldwide awareness and action for the environment. The theme for World Environment Day 2018 is 'Connecting People to Nature'.
2. Make a poster based on this theme on an A-3 size sheet. Visit the site given below and get acquainted with nature. <http://www.unep.org/wed/>
3. Chandigarh 'the city beautiful', and its surroundings, has a rich history. Take a tour of your city and visit at least one historical monument (Pinjore garden, Ramgarh fort etc.) during your summer vacations. Collect information about the location.
 - a. History
 - b. Architecture and
 - c. Any restoration work done on the monument.

Click photographs too. Present the information and the photographs using a simple tri- fold format (A-3 size sheet) like a travel brochure.

4. NATURAL WORLD WONDERS - Paste pictures and write information about any five natural world wonders (one on each A-4size sheet). These may include rivers, peaks, waterfalls, lakes, forests etc.

SCIENCE

SCIENCE IN THE KITCHEN, INDOOR FUN, IMPORTANCE OF PLAY AND SCIENCE

Using ingredients available in the kitchen like baking soda, lemon, salt etc do any two hands on experiments under the supervision of an adult.

Click and paste photographs and write the procedure and your observations on an A 4 size sheet. The following is just an example. You have to find a similar activity.

An example - You can make lava lamps with salt. Fill the glass with 3/4 cup water. Add about 5 drops of any food colour.

Slowly pour vegetable oil in the glass. Sprinkle the salt on top of the oil. Watch blobs of lava move up and down in your glass.

2. Prepare a healthy dish (without using fire) with the help of simple ingredients available in the kitchen. Mention the following on A 4 size sheet:
 - a. The ingredients used
 - b. Various nutrients present in the ingredients

c. How are these nutrients important for our body?

d. Paste the picture of the dish you prepared.

3. GARDENING TIME!!!

With the help of the internet learn how you can grow garlic, ginger, potato, spring onion, coriander at home. Try growing them at home. Observe and click pictures at various stages and bring after the vacations.
